

*Allenton, Wisconsin*

## *How can your payment save you money?*

Farmers' Grain & Feed, LLC has some payment options that can offer you a little extra discount. Please see below for the different options and what money saving benefits each one offers.

- ⇒ **ACH Debit:** We are now offering ACH debit (automatic withdrawal) from any checking or savings account. If your account is current we will offer a 3% discount on eligible invoices and these payments would be processed every other week (see authorization form for more details). ACH debit will be available to any account but discount will only be eligible to accounts that are current and paying per payment processing dates. You can have this setup to pay your account each month as well but the current account balance would only be eligible for the 2% discount if withdrawn by the 10th of the month.
- ⇒ **Prepayment:** If your account is current and you would like to pay ahead on your account we will offer a 3% discount to any payment that is prepaid on the account and not being applied to any current balance. Any current balance would still be eligible for the 2% discount.
- ⇒ **Net 10 days from statement date:** 2% discount offered to any payment on current statement balances that are paid by the 10th of the month (our current terms).

**Paying by credit or debit card?** No discount is offered on credit or debit card payments, choosing one of the above options would allow you to receive a little extra discount.

If you would like to begin paying your account by ACH debit please fill out the attached authorization form and return it back to us. Any questions please do not hesitate to contact us at 262-629-4126.
