Discount Schedule for 2022

Effective : 9/27/2022

- 1 Farmers' Grain And Feed will not prepay for grain being sold, which has not been picked up or delivered to the elevator.
- 2 At time of delivery please inform scale operator of intended dispersment of delivered grain (i.e. contract application, feed grain bank, market grain bank or spot cash).
Storage will be calculated on a daily basis using appropriate grain bank

Feed grain bank	3c/month
Market grain bank	4c/month

Minimum Storage charge of \$.10/ bushel
Equivalent to 2 1/2 months storage.
- 3 When filling contracts, the oldest contract will be first.
- 4 An Out-Charge of \$0.15/Bu. will be assessed to any grain delivered to Farmers' Grain & Feed LLC but not marketed or processed through the elevator.
- 5 No negative grain bank balances will be allowed. Customers will be billed for the grain used for feed after their own grain has been used. If a customer chooses, one can deliver grain within the month the transaction occurred to have those charges reversed.
- 6 Discounts schedule as follows.

Moisture:	13-15%	1% shrink per 1/2 point
	15.1%~up	1.5% shrink per 1/2% point

Stored oats will be shrunk to 12% no drying charge

Test Weight 46# & less 2c for each 1/2#

Foreign Material	2% and less no dockage
	2% = 2% shrink
	Over 2% at .02% for each .01 point
	(i.e 2.75 points FM= 3.5% shrink)

Musty	15c per bushel
Infested	15c per bushel
Smutty	15c per bushel

Thank you for allowing Farmers' Grain and Feed LLC to serve your needs.
